

Across the country, as usual at this time of the year, each WI has been discussing and voting upon resolutions to be put at the National Annual General Meeting in June. Warmingham WI is no different and spent half their recent meeting debating mental health matters, the focus of this year's resolution. The rest of the meeting was taken up with a sharing of craft skills as some members had offered to demonstrate their mastery of a range of skills and some of their "makes".

Planning is underway for a number of trips and activities and, of course, much work is being done to complete this year's entry for the Royal Cheshire Show.

Warmingham WI's next meeting takes place on Wednesday 6th June at 7.30pm, when Angela Davis will help members learn more about Japanese Food Culture.

While Warmingham Village Hall is being rebuilt, Warmingham WI is now meeting in St Peter's Church Hall, School Lane, Elworth, CW11 3HU

Visitors are always welcome, with no commitment to join, so those interested to try WI can just turn up and find a warm welcome.
