

## Warmingham Parish Council Risk Assessment – Updated September 2021 – approved September 2021 PC meeting

Risk assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable the Parish Council to identify any and all potential inherent risks. The Parish Council, based on a recorded assessment, will take all practical and necessary steps to reduce or eliminate the risks, insofar as is practically possible.

This document has been produced to enable Warmingham Parish Council to assess the risks that it faces and satisfy itself that it has taken adequate steps to minimise them.
